JobTIPS
Transition Toolbox

Sort them into two groups to help with attribution skills:

Constructive Criticism: Use my script OR Ignore and Go on with my work!

1) Your supervisor says, "*You are not filling the salad trays full enough. Fill them all the way to the top.*"

2) A customer laughs when you break a dish and starts clapping, saying, "*Impressive!*"

3) Ms. Collins, your English teacher, says *"You need to find two more sources and use that material in this paper. It requires a lot more research."*

4) Another student in Math sneers and says "*Your desk is a pit!*"

5) An experienced co-worker at your job says, "*That is the wrong spoon. You need a slotted spoon for that job.*"

6) A customer says, "*There are too many groceries in this bag. I am afraid it will break. Can you redo this?*"

7) A co-worker says, "*That's not how we do that. You are supposed to put all copies in the yellow folder.*"
