

A diagram illustrating a decision-making process. At the top, a large rounded rectangle is labeled "Issue:". To the left of this box is a stick figure with a question mark above its head, standing on a hill. Below the "Issue:" box, three dashed lines lead to three separate rounded rectangles labeled "Option 1:", "Option 2:", and "Option 3:". Each option box is connected by dashed lines to two smaller rounded rectangles below it, labeled "Pros:" and "Cons:". The background features a stylized landscape with hills and clouds.
