Say "Hi, I was wondering if I could pick up an application."

WAIT FOR THEM TO RESPOND: they might give you an application, or they might not.

Before you leave, remember to say *"Thank you."*

"I saw the 'Help Wanted' sign. Do you have an application?"

"Yeah. Here you go. What position are you interested in?"

Look for an employee.

If the employee is busy (talking to someone else, working with a customer, on the phone), wait until they are not busy.

Smile, look towards them.

Say *"Hi, I was wondering if I could pick up an application."*

Remember to say *"thank you."*
