

That was a big help to me.

Nice bracelet, how much  
did it cost?

You are a really good cook.

I like the way you  
organized the files.

You look hot!

Nice jacket.

You are a talented painter.

Nice car.

Your hair looks great!

Good game!

You handled that  
situation well.

You look nice today.

That shirt looks way better  
than the one you  
wore yesterday.

Your hair looks much  
better today.

That color looks good  
on you.

That skirt looks good on you.

Thanks for your help. It was  
just what I needed.
