

“THANKS FOR THE INTERVIEW, CAPTAIN KROINION!”

Space Cadet Starner was very excited about a job with Fleet Command. He submitted his application along with a resume and cover letter weeks ago. He was excited when he was offered an interview with Captain Kroinion, the lead supervisor for Fleet Command!

Space Cadet Starner had his interview with the Captain this morning and feels that it went very well. He is excited about how well he did in the interview and feels confident that he may be offered the job with Fleet Command. Starner is not sure if he wants to take the time to write a thank-you letter to the Captain, so he is considering why he should.

If he writes a thank-you letter, Captain Kroinion will think he is professional, polite, and still interested in the job.

If he does not write a thank-you letter, Captain Kroinion might think he is unprofessional, rude, or no longer interested in the job.

Space Cadet Starner has decided to sit down and write the thank-you letter right now!
