

## Agricultural Sciences Interests: Gardening, Farming, and Landscaping

**Name:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Instructor:** Note that these questions may require adjustment to fit the understanding of the student. Moreover, actual experience is likely to change the student's preference and make it more valid. Encourage the student to take his best guess, especially when doing this for the first time and when the student has no direct experience yet with agricultural science work.

	1 Not At All	2 Maybe	3 Yes	4 Very Much
1) Do you think you would like working with plants on a farm, in a greenhouse, or on a landscaping crew?				
2) Do you think you would like to work with gardening tools such as shovels, rakes, wheelbarrows, or hoes?				
3) Do you think you would like pulling out weeds?				
4) Do you think you would like planting plants in the ground or in pots?				
5) Do you think you would like designing landscaping plans?				
6) Do you think you would like watering plants with a watering can or hose?				
7) Do you think you would like to use gasoline-powered or electric-powered gardening tools such as a leaf blower, a weed trimmer, a chain saw or a lawn mower?				
8) Do you think you would like trimming or cutting plants, trees, or bushes?				
9) Do you think you would like picking fruit or vegetables?				
10) Do you think you would like packing fruit or vegetables into crates or boxes?				
11) Do you think you would like planting seeds into containers or spreading seeds on large areas of lawn?				

	1 Not At All	2 Maybe	3 Yes	4 Very Much
12) Do you think you would like inspecting plants or flowers for insects or disease?				
13) Do you think you would like to spread fertilizer or chemicals on plants or yards?				
14) Do you think you would like lifting and carrying heavy objects?				
15) Do you think you would like repairing farm equipment or fixing fences or gates?
