Name: _____

Date: _____

Instructor: Note that these questions may require adjustment to fit the understanding of the student. Moreover, actual experience is likely to change the student's preference and make it more valid. Encourage the student to take his best guess, especially when doing this for the first time and when the student has no direct experience yet within the childcare and child development field.

	1 NOT AT ALL	2 MAYBE	3 YES	4 VERY MUCH
1) Do you think you would like working with young children in a day care setting?				
2) Do you think you would like working with children in a school setting?				
3) Do you think you would like planning and preparing materials for art, music and instructional activities for children?				
4) Do you think you would like helping young children develop play skills and group behaviors that help them learn?
